December 2009

This is wishing you and your family a very joyous Christmas and blessed New Year 2010!

Our prayer for you is that the new year will bring you health and peace, and opportunities to express God's love to others. As followers of Jesus Christ, we know that this is the reason for the season and the purpose of our existence on earth. Annie and I want to thank each of you for your faithfulness in making it possible for us to share Jesus Christ in Brazil for another year.

This year of 2009 has been one filled with challenges as we see our churches struggling to grow and mature. We have also had a year of celebrating 10 years of Project Good News Brazil. As our churches reach out to their communities, what a thrill to know that many lives have been touched and changed by the love of Christ and His word. This year of reflection has also made us aware that we have a great team of prayer warriors and financial supporters, **WE ARE NOT LABORING ALONE!**

This realization keeps us going for another year so that one day when we look back on our collective efforts in Christian service, "...the sower and reaper may be glad together."

John 4:36

Yours because of God's unspeakable gift,

Gordon & Annie
